TO SUPPORT NECK & SHOULDER TENSION

Find yourself a comfortable space to sit and relax. Begin by massaging your favourite hand cream into your hands paying particular attention to the palms of your hands. Take a few slow deep breaths focusing solely on the rise and fall of your chest. Think about how the air feels moving in and out of your airways.

Solar Plexus – Using the opposite thumb apply gentle pressure as you inhale and release as you exhale.

Head – Using the opposite thumb use gentle pressure to caterpillar walk up the thumb from the crease to the tip in 5 vertical lines, then push from tip of thumb down to the crease following the same 5 vertical lines.

Neck – Using the opposite thumb use gentle pressure to caterpillar walk around the reflex, repeating 3 times.

Shoulder – Massage in circular motions or rock in between the fingers bones.

Adrenals – Using the opposite thumb apply gentle pressure as you circle the reflex and hold for 30 seconds.

Spine – Sweep fingers/thumb down the edge of the thumb and onto the side of the palm.
